HANDLING/DELIVERY INSTRUCTIONS PSL - Premise Supplies Lift Hope you are well.							

Just a note to update you on all inbound deliveries to our business and that if any drivers are not compliant to this then they will be sent away and we would ask for re-delivery based on this procedure.

Deliveries to BeautyPro, Waldron

- Currently we are only accepting deliveries to Waldron on Tuesday's and Thursday's.

- Delivery windows, no exceptions 9.00am to 3.30pm

- No deliveries will be received by anyone else at our premises other than our team nor can your business request for anyone to accept delivery on our behalf.

- All goods on pallets must be delivered and unloaded as so and will not be accepted as broken down pallets/goods.

- Delivery drivers must keep a safe distance from our team and will not be permitted into our premises so goods will be handed over outside our premises.

- All vehicles delivering pallets must have a tail-lift, again no exceptions

Deliveries to Dobbs Logistics, St Leonards

- All deliveries to Dobbs in Hastings are still as normal but with advance notice.

- A tail-lift is not required as they have fork-lifts with drivers on site for unloading.

- Please contact @Jemma Oakley for any inbound arrangements to Dobbs.

We appreciate your support of this process to protect our team and yours.

Regards,
