All Business is transacted under the terms and conditions of the British International Freight Association standard trading conditions (BIFA 2017 edition)

These terms and all other Contracts of Carriage which may apply under International Convention or Law, limit the liability for loss or damage, and it is therefore essential that you acquire insurance cover under a Marine or Goods In Transit policy that will cover you for the full value (subject to the terms of the policy) of your shipment, which has not been provided/included by us.
