CONDITIONS OF CARRIAGE: It is appropriate to remind all of our customers of the limitations of our liability for meeting any claims for loss of or damage to goods whilst in our care. Our haulage rates do not take account of the value of the goods carried so our liability is determined under FTA Conditions of Carriage, which is limited to £1,300 per tonne. You should ensure that your own insurance cover is adequate to meet any cost that exceeds our liability. Copies of Conditions of Carriage are available on request.
