Hello Nathan,

Just so that we have everything matched up on both sides. Please see below list of delivery dates for each supplier.

Please can you check for any DG labels on the Rapide order and provide photos of this one. I am still not convinced from the attached DGN that the shipper will have this packed to IMO standards and it may need repacking.

Pieces	Weight (KG)	Dimension	Supplier	Additional comments
1	416	120x100x122	Rapide	16/9 * PHOTO Delivering to hauliers warehouse on
32	TBC	TBC	Design Group	17/9 Delivering to hauliers warehouse

Special notice of COVID-19 impact on transportation terms

Noatum Logistics is always at your service, protecting your business interests.

We are focused on trying to keep this situation stable. Nevertheless; due to the extraordinary and exceptional situation that has originated as a consequence of coronavirus (COVID-19), it is necessary to inform you about the possible risk of:

- The out-break of COVID-19 is regarded as a force majeure event that a carrier/freight forwarder is unlikely be held liable under the law for any loss/damage or delay resulting from this as long as the carrier/freight forwarder has no mistake or negligent act on it. Under these circumstances, transportation and logistics service will be conducted at risk

£325 - Load 40ft
£5 in/out = £85 (17)
£5 storage = £85 p. week.
£10 per strap.
