delivery on our behalf.

- All goods on pallets must be delivered and unloaded as so and will not be accepted as broken down pallets/goods.
- Delivery drivers must keep a safe distance from our team and will not be permitted into our premises so goods will be handed over outside our premises.

- All vehicles delivering pallets must have a tail-lift, again no exceptions

Deliveries to Dobbs Logistics, St Leonards

- All deliveries to Dobbs in Hastings are still as normal but with advance notice.
- A tail-lift is not required as they have fork-lifts with drivers on site for unloading.
- Please contact @Jemma Oakley for any inbound arrangements to Dobbs.

We appreciate your support of this process to protect our team and yours.
