CONDITIONS OF CARRIAGE: It is appropriate to remind all of our customers of the limitations of our liability for meeting any claims for loss of or damage to goods whilst in our care. Our haulage rates do not take account of the value of goods carried so our liability is determined under RHA Conditions of Carriage, which is limited to £1,300 per tonne. You should ensure that your own insurance cover is adequate to meet any cost that exceeds our liability. However, if you do want us to take account of the value of your goods by taking out extra cover on your behalf we can, of course, arrange this and add the extra cost to our haulage rates. Please instruct us accordingly.
Copies of our Conditions of Carriage are available on request.
